Though compact in size, the boat is richly equipped: an integrated shower, refrigerator, thoughtfully designed sunbathing area, and spacious storage compartments at both the bow and stern ensure maximum practicality and comfort, without any sense of confinement.

Every detail has been designed to make navigation not only exciting but also comfortable - whether you're on a short ride or a longer excursion.

When you're behind the wheel of the THRONE 15, you won't go unnoticed - its sporty design and distinctive style will make you stand out

WE DON'T FOLLOW THE WAVES - WE CREATE THEM.
